

CJS Appropriations Request FY 2011

Organization: Town of Bassfield

Project: Bassfield Police Department Technology and Equipment Upgrades

Purpose: To purchase devices and equipment to enhance public safety

Requested Amount: \$100,000

City: Bassfield

State: MS

Justification: This project will support public infrastructure expansion or upgrades in order to increase safety, economic development, and job creation.

Organization: City of Belzoni

Project: Belzoni Police Department Technology and Equipment Upgrades

Purpose: To purchase devices and equipment to enhance public safety

Requested Amount: \$170,000

City: Belzoni

State: MS

Justification: This project will enhance public safety.

Organization: Bolivar County Board of Supervisors

Project: Sheriff Department and Emergency Response Improvement and Upgrade Project

Purpose: To purchase devices and equipment to enhance public safety and improve emergency response

Requested Amount: \$300,000

City: City of Cleveland

State: MS

Justification: This project will enhance public safety.

Organization: City of Clarksdale

Project: Clarksdale Police Department and Technology Upgrades

Purpose: To purchase devices and equipment to enhance public safety

Requested Amount: \$180,000

City: Clarksdale

State: MS

Justification: This project will enhance public safety.

Organization: City of Cleveland

Project: Emergency Radio Communication

Purpose: To acquire a radio system for the city to enhance public safety

Requested Amount: \$150,000

City: Cleveland

State: MS

Justification: This project will enhance public safety.

Organization: City of Columbus Police Department
Project: P.R.I.N.T., Regional Automated Fingerprint Identification System Project
Purpose: To purchase devices and equipment to enhance public safety
Requested Amount: \$2,006,546
City: Columbus
State: MS
Justification: This project will enhance public safety.

Organization: Town of Crenshaw
Project: Crenshaw Police Department Technology and Equipment Upgrades
Purpose: To purchase devices and equipment to enhance public safety
Requested Amount: \$100,000
City: Crenshaw
State: MS
Justification: This project will enhance public safety.

Organization: Criminal Information Sharing Alliance (CISA)
Project: Gulf States Law Enforcement Enhancement Project
Purpose: To provide the technology necessary to integrate case management and information systems of MS, AL, LA for state and local law enforcement officers
Requested Amount: \$1,392,000
City: Folsom
State: CA
Justification: This project will enhance public safety.

Organization: DeSoto County Board of Supervisors
Project: DeSoto County Sheriff's Department Technology and Equipment Upgrades
Purpose: To purchase devices and equipment to enhance public safety
Requested Amount: \$100,000
City: Hernando
State: MS
Justification: This project will enhance public safety.

Organization: City of D'Iberville
Project: D'Iberville Police Department Technology and Equipment Upgrades
Purpose: To purchase devices and equipment to enhance public safety
Requested Amount: \$400,000
City: D'Iberville
State: MS
Justification: This project will enhance public safety.

Organization: City of Fayette
Project: Fayette Police Department Technology and Equipment Upgrades
Purpose: To purchase devices and equipment to enhance public safety
Requested Amount: \$100,000
City: Fayette
State: MS
Justification: This project will enhance public safety.

Organization: Forrest County Sheriff's Department
Project: Southern Mississippi Regional Law Enforcement Initiative
Purpose: To purchase devices and equipment to enhance public safety
Requested Amount: \$1,363,700
City: Hattiesburg
State: MS
Justification: This project will enhance public safety.

Organization: Greene County Sheriff's Department
Project: Anti Meth Activity Enforcement and Education Project
Purpose: To fund the expansion of enforcement efforts to combat methamphetamine production and trafficking
Requested Amount: \$251,842
City: Leakesville
State: MS
Justification: This project will enhance public safety.

Organization: City of Greenville
Project: Greenville/Delta Regional METH Enforcement Initiative
Purpose: To fund the expansion of enforcement efforts to combat methamphetamine production and trafficking
Requested Amount: \$850,000
City: Greenville
State: MS
Justification: This project will enhance public safety.

Organization: Gulf and South Atlantic Fisheries Foundation, Inc.
Project: Gulf States Vibrio vulnificus (V.v.) Consumer Education Program Funding
Purpose: To provide consumer education to at-risk consumers
Requested Amount: \$1,000,000
City: Tampa
State: FL
Justification: This project will improve public health resources and services, a key component necessary for economic growth.

Organization: Harrison County Sheriff's Office
Project: Integrated Public Safety Software Solution Deployment
Purpose: To purchase devices and equipment to enhance public safety
Requested Amount: \$1,000,000
City: Gulfport
State: MS
Justification: This project will enhance public safety.

Organization: Hinds County Sheriff's Department
Project: Law Enforcement Technology and Equipment Upgrades
Purpose: To purchase devices and equipment to enhance public safety
Requested Amount: \$500,000
City: Jackson
State: MS
Justification: This project will enhance public safety.

Organization: Institute for Marine Mammal Studies
Project: Center for Marine Education and Research in Mississippi
Purpose: To expand educational programs, research, and activities
Requested Amount: \$5,000,000
City: Gulfport
State: MS
Justification: This project will support on-going research to increase development in key industries in our state.

Organization: Institute for Marine Mammal Studies
Project: Ocean Expo
Purpose: To expand educational programs and activities
Requested Amount: \$10,000,000
City: Gulfport
State: MS
Justification: This project will support on-going research to increase development in key industries in our state.

Organization: Institute for Marine Mammal Studies
Project: Atlantic Bottlenose Dolphin Research for Mississippi
Purpose: To research the effects of Hurricanes Katrina, Ike, and Gustav on gulf marine life
Requested Amount: \$3,000,000
City: Gulfport
State: MS
Justification: This project will support on-going research to increase development in key industries in our state.

Organization: City of Jackson
Project: At-Risk Teenagers Program
Purpose: To continue a program for educational, recreational, mentoring, and character development for at risk youth
Requested Amount: \$350,000
City: Jackson
State: MS
Justification: This project will support education and development opportunities for young Mississippians. A highly educated workforce is a key component necessary for economic growth.

Organization: City of Jackson
Project: Public Safety Technology
Purpose: To purchase devices and equipment to enhance public safety
Requested Amount: \$1,800,000

Organization: Mississippi Military Department
Project: Regional Counterdrug Training Academy
Purpose: To provide first responders training to law enforcement officials
Requested Amount: \$300,000
City: Meridian/Jackson
State: MS
Justification: This project will enhance public safety.

Organization: Mississippi Museum of Natural Science Foundation

Project: Mississippi Center for Conservation and Biodiversity

Purpose: To complete renovation and expansion of research and collections laboratory, collections archive, and molecular laboratory

Requested Amount: \$1,400,000

City: Jackson

State: MS

Justification: This project will support education opportunities for Mississippians. A highly educated workforce is a key component necessary for economic growth.

Organization: Mississippi State University

Project: Linking Disruptive Manufacturing Research with Manufacturing Industries

Purpose: To research and develop advanced technologies representing departures from current manufacturing methods

Requested Amount: \$1,250,000

City: Mississippi State

State: MS

Justification: This project will support education opportunities for Mississippians. A highly educated workforce is a key component necessary for economic growth.

Organization: Mississippi State University

Project: Life Sciences Commercialization Laboratory

Purpose: To provide the necessary laboratory space to support the University's exceptional research programs already in place

Requested Amount: \$10,000,000

City: Mississippi State

State: MS

Justification: This project will support public infrastructure expansion or upgrades in order to increase safety, economic development, and job creation.

Organization: Mississippi State University

Project: MSU Cyber Crime Initiative and National Consortium for Digital Forensics Training

Purpose: To offer training on a full range of digital forensic tools and techniques to state and local law enforcement officers

Requested Amount: \$2,500,000

City: Mississippi State

State: MS

Justification: This project will enhance public safety.

Organization: Mississippi State University, Department of Computer Science and Engineering

Project: Law Enforcement Intelligence Gathering & Analysis

Purpose: To provide investigative tools to law enforcement officers and state and federal law enforcement agencies

Requested Amount: \$1,200,000

City: Mississippi State

State: MS

Justification: This project will enhance public safety.

Organization: City of Pascagoula

Project: Pascagoula Police Department Virtual Filing and Document Imaging System

Purpose: To implement a shared electronic database to ensure all public safety organizations have access to critical records and information

Requested Amount: \$154,200

City: Pascagoula

State: MS

Justification: This project will enhance public safety.

Organization: Pearl River Community College

Project: Campus Security Upgrades

Purpose: To purchase devices and equipment to enhance public safety

Requested Amount: \$900,000

City: Poplarville

State: MS

Justification: This project will enhance public safety.

Organization: Pearl River County Sheriff's Department

Project: Law Enforcement Technology and Equipment Upgrades

Purpose: To purchase devices and equipment to enhance public safety

Requested Amount: \$201,993

City: Poplarville

State: MS

Justification: This project will enhance public safety.

Organization: Pegasus Research Foundation

Project: Nationwide Pegasus Program

Purpose: To improve communication among law enforcement officials

Requested Amount: \$10,000,000

City: Little Rock

State: AR

Justification: This project will enhance public safety.

Organization: Picayune Police Department

Project: Public Safety Enhancement Technology

Purpose: To purchase devices and equipment to improve communications and technology to enhance public safety

Requested Amount: \$2,978,080

City: Picayune

State: MS

Justification: This project will enhance public safety.

Organization: Redemption Outreach Ministries International, Inc. (ROMI)

Project: Students Taking A Radical Stand (STARS) Mentoring Project

Purpose: To continue a program for educational, mentoring, and character development for at risk youth

Requested Amount: \$500,000

City: Jackson

State: MS

Justification: This project will support education opportunities for Mississippians. A highly educated workforce is a key component necessary for economic growth.

Organization: City of Southaven

Project: Wireless Network Expansion, Phase 3

Purpose: To improve communication and technology to enhance public safety

Requested Amount: \$1,500,000

City: Southaven

State: MS

Justification: This project will enhance public safety.

Organization: Southern Shrimp Alliance

Project: Shrimp Industry Fishing Effort Research Continuation

Purpose: To continue development and manufacturing of electronic logbook technology on shrimp boats for data analysis

Requested Amount: \$1,500,000

City: Tarpon Springs

State: FL

Justification: This project will support on-going research to increase technology development in key industries in our state.

Organization: The University of Mississippi

Project: National Sea Grant Law Center

Purpose: To continue a program for legal research on marine laws and policy

Requested Amount: \$750,000

City: University

State: MS

Justification: This project will support on-going federal research to increase development for key industries in our state.

Organization: The University of Mississippi

Project: National Institute for Undersea Science and Technology (NIUST)

Purpose: To continue the authorized program to research biotechnology and undersea technology for the advancement of marine science and technology

Requested Amount: \$6,655,000

City: University

State: MS

Justification: This project will support on-going federal research to increase technology development in key industries in our state.

Organization: The University of Mississippi

Project: National Center for Remote Sensing, Air, and Space Law

Purpose: To continue a program for legal research on remote sensing, space, and aviation issues

Requested Amount: \$1,400,000

City: University

State: MS

Justification: This project will support education opportunities for Mississippians. A highly educated workforce is a key component necessary for economic growth.

Organization: The University of Mississippi

Project: Remote Infrasonic Monitoring of Natural Hazards

Purpose: To continue to research the public safety applications of infrasound, including tracking hurricane formations and movements

Requested Amount: \$3,200,000

City: University

State: MS

Justification: This project will enhance public safety.

Organization: The University of Mississippi

Project: Innovative STEM Education

Purpose: To implement a cohesive approach to recruiting students to careers in science and science education

Requested Amount: \$5,000,000

City: University

Project: Indoor Cannabis Eradication Technical Support

Purpose: To research and develop technologies to support indoor marijuana eradication operations

Requested Amount: \$1,000,000

City: Hattiesburg

State: MS

Justification: This project will enhance public safety.

Organization: University of Southern Mississippi

Project: Transitioning Space Technologies into the Commercial Sector

Purpose: To support implementation of programmatic functions and activities to continue partnership in transitioning space technologies to the commercial sector

Requested Amount: \$2,000,000

City: Hattiesburg

State: MS

Justification: This project will support on-going federal research to increase technology development in key industries in our state.

Organization: University of Southern Mississippi
Project: Forensic Science Education/Research/Training Funding Request
Purpose: To continue operations for the Forensic Science Center for Excellence
Requested Amount: \$1,000,000
City: Hattiesburg
State: MS
Justification: This project will enhance public safety and support educational opportunities for Mississippians.

Organization: University of Southern Mississippi
Project: Science Consortium for Ocean Replenishment
Purpose: To continue research and development of natural, hatchery based approach to replenishing depleted marine fisheries
Requested Amount: \$3,700,000
City: Hattiesburg
State: MS
Justification: This project will support on-going federal research to increase technology development in key industries in our state.

Organization: University of Southern Mississippi
Project: Regional Geospatial Modeling
Purpose: To develop and advance remote sensing techniques for monitoring and predicting changes on the barrier islands
Requested Amount: \$5,500,000
City: Hattiesburg
State: MS
Justification: This project will support on-going federal research to increase technology development in key industries in our state.

Organization: University of Southern Mississippi
Project: Storm Surge/Flooding Disaster Mitigation
Purpose: To continue research and development to depict accurate forecast surge levels
Requested Amount: \$500,000
City: Hattiesburg
State: MS
Justification: This project will support on-going federal research to increase technology development in key industries in our state.

Organization: University of Southern Mississippi
Project: Mississippi Polymer Institute
Purpose: To continue research and development of newer and faster methods of formulating new products
Requested Amount: \$9,400,000
City: Hattiesburg
State: MS
Justification: This project will support on-going federal research to increase technology development in key industries in our state.

Organization: University of Southern Mississippi

Project: Marine Aquaculture Lab Operations

Purpose: To continue research and development of new technology to meet demand for warm water marine seafood

Requested Amount: \$5,000,000

City: Hattiesburg

State: MS

Justification: This project will support on-going federal research to increase technology development in key industries in our state.

Organization: City of Vicksburg

Project: Vicksburg Police Department Technology and Equipment Upgrades

Purpose: To purchase devices and equipment to enhance public safety

Requested Amount: \$180,000

City: Vicksburg

State: MS

Justification: This project will enhance public safety.

Organization: Wesley Biblical Seminary

Project: Cross-Roads Multicultural Center

Purpose: To establish a multi-cultural center to serve underserved citizens

Requested Amount: \$250,000

City: Jackson

State: MS

Justification: This project will enhance public safety and support educational opportunities for Mississippians.

Organization: City of Wiggins

Project: Computer Aided Dispatch Computer System with in Car Computer Capabilities

Purpose: To purchase devices and equipment to enhance public safety and ensure access to critical records and information

Requested Amount: \$300,000

City: Wiggins

State: MS

Justification: This project will enhance public safety.

Organization: Winston County Sherriff's Department

Project: Law Enforcement Technology and Equipment Upgrades

Purpose: To purchase devices and equipment to enhance public safety

Requested Amount: \$250,000

City: Louisville

State: MS

Justification: This project will enhance public safety.

Organization: ZERO TO THREE

Project: Forrest County Court Team for Maltreated Infants and Toddlers

Purpose: To address the critical needs of maltreated infants and toddlers

Requested Amount: \$300,000

City: Hattiesburg

State: MS

Justification: This project will support underserved citizens.

Organization: A Child Is Missing

Project: A Child Is Missing-Mississippi

Purpose: To assist law enforcement agencies in MS in the first few hours a child or elderly adult is reported missing

Requested Amount: \$130,000

City: Ft. Lauderdale

State: FL

Justification: This project will enhance public safety.

Requested Language Support for the following Programs:

- Regional Information Sharing System (RISS)
- National Data Buoy Center
- National Sea Grant Program
- Oceans and Human Health Initiative (OHHI)
- Integrated Ocean Observing System (IOOS)

Supported Report Language for the Following:

- National Oceanic and Atmospheric Administration: Operations, Research, Facilities
- National Oceanic and Atmospheric Administration: Oceanic and Atmospheric Research
- National Oceanic and Atmospheric Administration: Center for Satellite Technology and Applications Research
- National Oceanic and Atmospheric Administration: National Coastal Data Development Center
- National Aeronautics and Space Administration: Earth Science
